**INTRODUCTION OF MEMBERS AND GUESTS**

**APPROVAL OF MINUTES**

The minutes of the December 9, 2010 meeting were approved with the correction made to the spelling of Lee Wipfli's name from Wipfil to Wipfli.

**PRESENTATION**

Claudia Roska, Executive Director of the Addiction Resource Council (ARC), presented on concerns in decreased attendance in Intoxicated Driver Programming and compared referrals from 2009 and 2010 vs. actual court orders for assessments. The number of no shows and rescheduled appointments is high and the council is looking at charging \$50 for rescheduling appointments. Most people who reschedule do so many times not just once. Ms. Roska did not have the actual number available for the meeting but stated she would give the information to Susan Andrews.

The number of court orders has decreased from 2,400 in 2009 to 2,300 in 2010. Compliance rate in 2009 was 88% compared to 82% in 2010. Client numbers dropped from 2,100 to 1,800. Ms. Roska will also be developing a letter to send to providers, attorneys and judges indicating that residents who are in need of a driver's safety plan will need to be assessed for the plan before starting treatment. The committee agreed that the Ms. Roska will give a copy of the letter to Susan Andrews for IPID Committee approval.

Steve Lindemann brought up that the number of drunk drivers is probably the same; however, police have many assignments and may not be arresting as many offenders as in the past.

Cynthia Koprowski presented to the committee that Waukesha Community Technical College will no longer be teaching Group Dynamics in Spanish due to the low class size. The last Group Dynamics Class in Spanish will start March 12, 2011 with only five students that have been registered since the fall of 2010. Requests for Driver Safety Plan assessments in Spanish are also low at the ARC.

**NEW BUSINESS**

The committee will consider topics such as SCRAM X, EDAC Testing and the District Attorney's office role on OWI prosecution.

## **CHAIR REPORT**

Andrews commented that there have been no new clinic applications for IPID approval.

## **ADJOURNMENT**

JoAnn Eiring made a motion to adjourn the meeting at 10:30 a.m. The motion was seconded by Bernie Mangers. The motion was voted on and passed.
